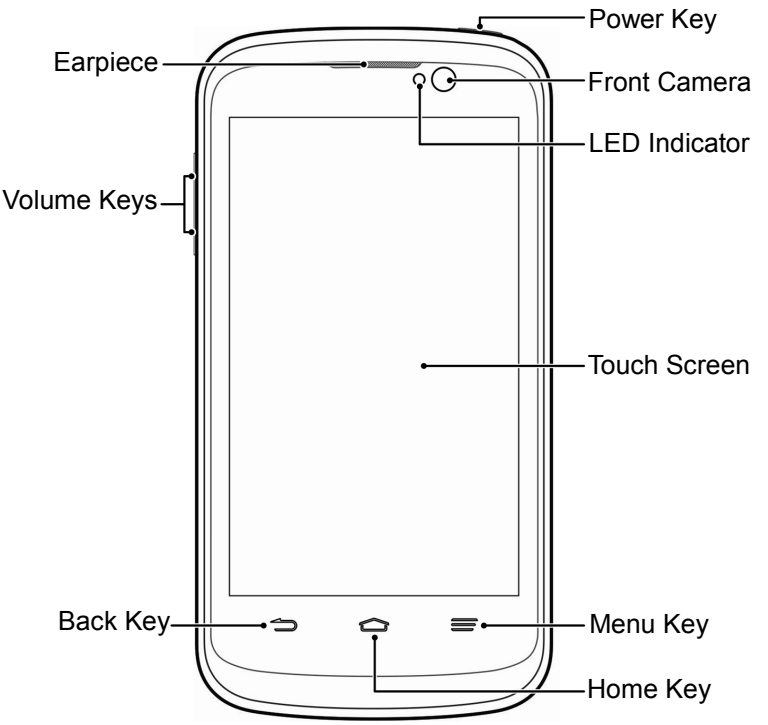
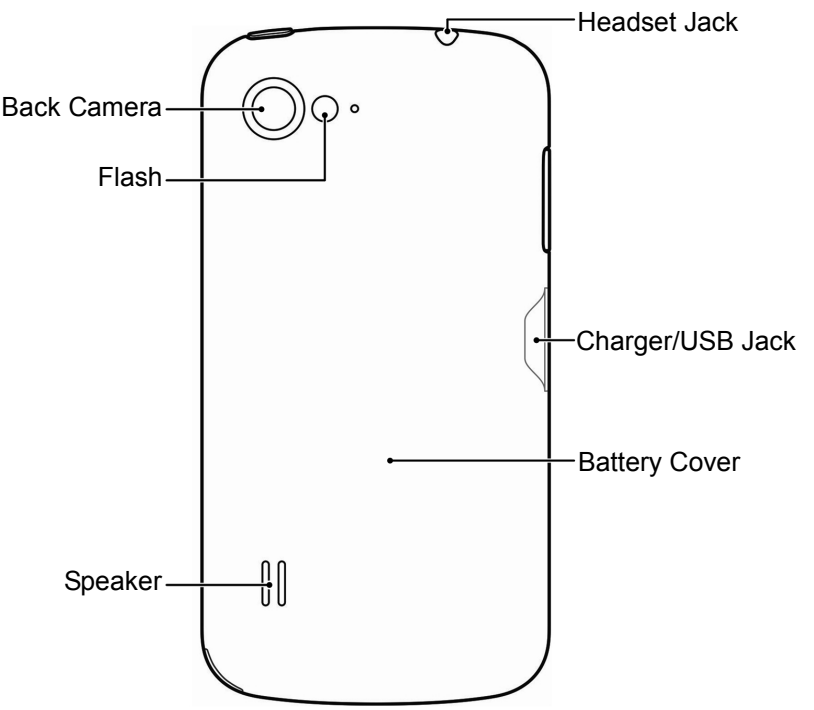
Getting to Know Your Phone





Power Key

- Hold to select phone modes, power off or reset.
- Press to switch your phone to Sleep mode.
- Press to wake up your phone.

Home Key

- Touch to return to the Home Screen.
- Hold to see recently used applications.

Menu Key

Touch to view the options for the current screen.

Back Key

Touch to go to the previous screen.

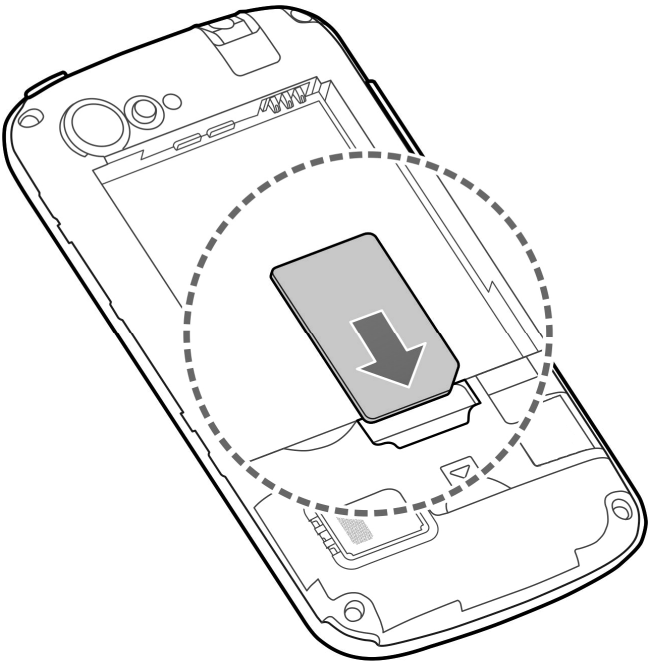
Volume Key

Press or hold either end of the key to turn the volume up or down.

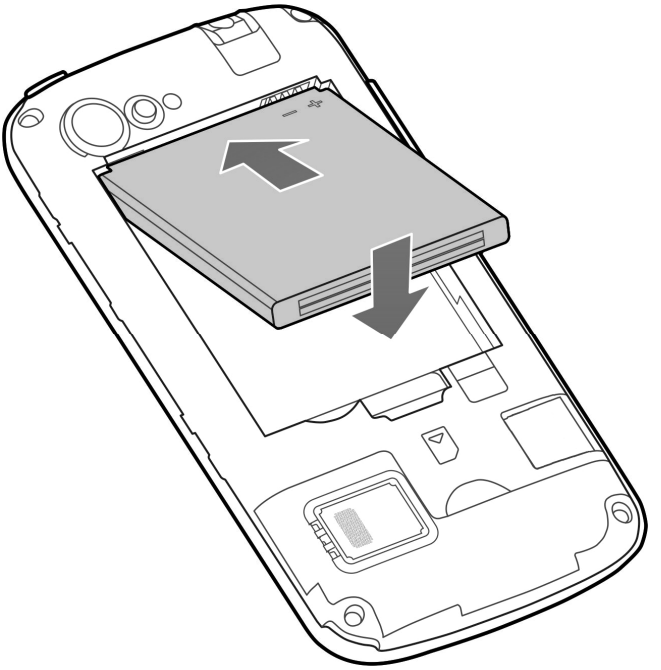
Before Getting Started

Removing the Back Cover

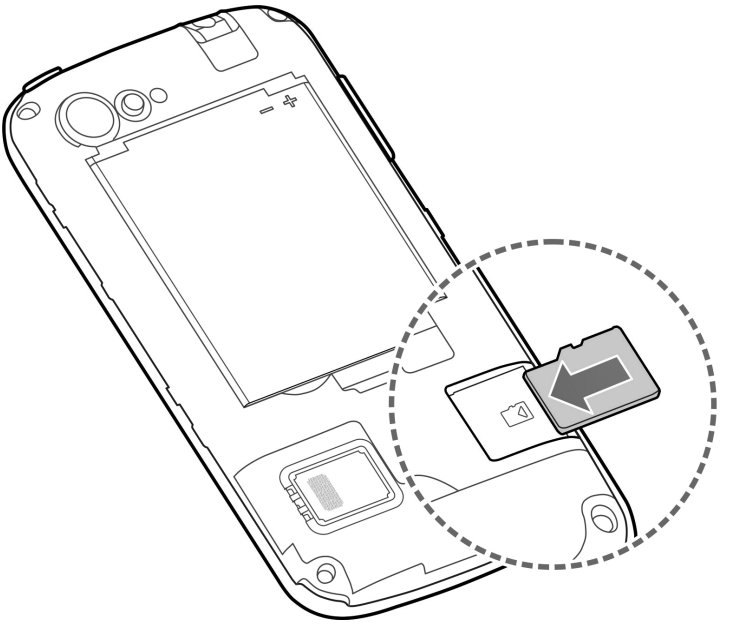
Installing the SIM Card



Installing the Battery



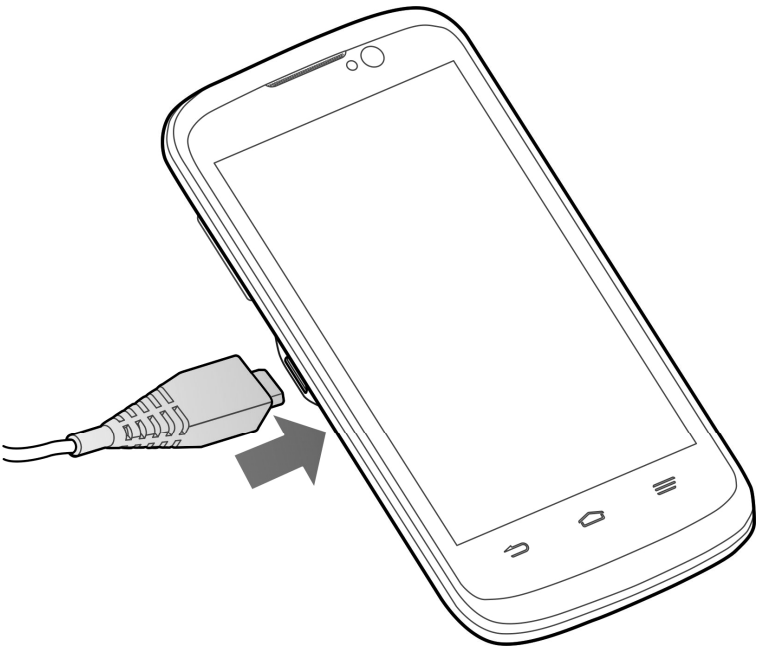
Installing the microSD Card (Not Included)



NOTE: Some applications may require a microSD card to work normally as they may require to keep certain data. Therefore, it is recommended that you keep a microSD card installed and not removed or replaced randomly.

NOTE: microSD logo is a trademark of the SD Card Association.

Charging the Battery



When you first get your new phone you'll need to charge the battery as follows:

1. Connect the adapter to the charger jack.
2. Connect the charger to a standard AC wall outlet.
3. Disconnect the charger when the battery is fully charged.

Powering On/Off Your Phone

Make sure the SIM card is in your phone and the battery is charged.

- Hold the **Power Key** to switch on your phone.
- To switch it off, hold the **Power Key** to view the options. Touch **Power off**, and then touch **OK**.

Waking Up Your Phone

1. Press the **Power Key** to activate your screen display.
2. Touch and hold at the center of the screen.

NOTE:

If you have set an 'unlock pattern', or a PIN/password for your phone, you'll need to draw the pattern or enter the PIN/password to unlock your screen.

Using the Touch Screen

Your phone's touch screen lets you control actions through a variety of touch gestures.

- Touch

  When you want to type using the onscreen keyboard, select items onscreen such as application and settings icons, or press onscreen buttons, simply touch them with your finger.

- Touch and Hold
  To open the available options for an item (for example, a message or link in a Web page), touch and hold the item.
- Swipe or Slide
  To swipe or slide means to quickly drag your finger vertically or horizontally across the screen.
- Drag
  To drag, press and hold your finger with some pressure before you start to move your finger. While dragging, do not release your finger until you have reached the target position.
- Pinch
  In some apps (such as Maps, Browser, and Gallery), you can zoom in and out by placing two fingers on the screen at once and pinching them together (to zoom out) or spreading them apart (to zoom in).
- Rotate the screen
  You can automatically change the screen orientation from portrait to landscape by turning the phone sideways.

EC DECLARATION OF CONFORMITY

CE 0168

It is hereby declared that following designated product:

Product Type: GSM/GPRS/EDGE/UMTS Digital Mobile Phone with Bluetooth and WiFi

Model No: ZTE Blade V

Complies with the essential protection requirements of the Radio and Telecommunication Terminal Equipment Directive (EC Directive 1999/5/EC) and the Electromagnetic Compatibility Directive (2004/108/EC).

This declaration applies to all specimens manufactured identical to the samples submitted for testing/evaluation.

Assessment of compliance of the product with the requirements relating to the Radio and Telecommunication Terminal Equipment Directive (EC Directive 1999/5/EC) and the Electromagnetic Compatibility Directive (2004/108/EC) was performed by British Approvals Board for Telecommunications (BABT) (Notified Body No.0168), based on the following standards:
